(iii) *Ranking CDFI Support Activities.* Estimated awards for CDFI Support Activities may be ranked based on the ratio of the proposed CDFI Support Activity to the asset size of the Applicant (as reported in the Applicant's most recent Report of Condition or Thrift Financial Report) at the time of submission of an application.

(3) *Second priority.* (i) If the amount of funds available during a funding round is sufficient for all CDFI Related Activities but insufficient for all estimated award amounts, second priority will go to Applicants that propose to engage in Development and Service Activities.

§ 1806.205 Actual award amounts.

(a) *General.* The Fund will assess an Applicant's success in achieving the Qualified Activities projected in its application. The extent of such success will be measured based on the activities that were actually carried out during the Assessment Period and expected to be disbursed to an investee, borrower, or other recipient within three years of the end of the applicable Assessment Period. The Fund reserves the right to extend this period on a case-by-case basis where it has a high degree of confidence that disbursement

will occur and the activity will promote the purposes of the Act. Subject to § 1806.204 and any recapture sanction for failure to perform pursuant to this part, the actual award amount that an Awardee will receive will be equal to the estimated award previously calculated and (if necessary) adjusted pursuant to this section.

(b) *Achievement.* If an Applicant carries out all or a portion of its projected Qualified Activities and satisfies all program requirements described in this part, its award amount will be calculated on a pro-rata basis to reflect the increase in activities actually carried out except that if:

(1) The amount of funds available is insufficient for all estimated award amounts; and

(2) An Applicant carries out less than 75 percent of its projected Qualified Activities, the Fund in its sole discretion, may limit the amount or deny an award.

(c) *Unobligated or deobligated funds.* The Fund, in its sole discretion, may use any deobligated funds or funds not obligated during a funding round:

(ii) To select Applicants not previously selected;

(2) To make additional monies available for a subsequent funding round; or

(3) As otherwise authorized by the Act.

(d) *Limitation.* The Fund, in its sole discretion, may deny or limit the amount of an award for any reason, including if an Applicant submits an application based on unrealistic Assessment Period projections.
